

Dear Requesting Charity,

Thank you for your interest. In a normal year of operation, we receive somewhere around a thousand requests, even though these requests are normally for services rather than money. It is impossible for a small local company to meet everyone's needs. Consequently, in order to prevent us from being overwhelmed while at the same time remain charitable, we do need to stay within our limited allocation for donations. We have decided that all requesting charities should meet the same critical minimum parameters for us to consider the request.

In your request you must indicate which tickets or passes you would like to be considered for (ski or camp). Bottom line is that the more specific about why something from Hoodoo is important to you, (and possibly beneficial to us), the more successful you will be.

For Hoodoo Ski Area: To be considered for ski tickets or passes - your auction, program, race or other type of program should occur between **September to February**. Tickets and passes are only given out for our current season, which usually starts in December and ends in early April. Certificates **do not** transfer over to the next season, if not redeemed.

For Hoodoo Recreation Services: We do have limited ability to give donation campground passes to be used at any USFS campground that is managed by Hoodoo Recreation Services in Oregon and Washington. To be considered for campground passes - your auction, program, race or other type of program should occur between **March to July**. Passes are only given out for our current season which ends in late September.

1. In general, Hoodoo gives to charities that benefit families, children and schools. We do not normally give to clubs and individuals in order to make their activities cheaper or help defray operating costs.
2. Are you a Hoodoo season pass holder or can you verify that you are a frequent customer at Hoodoo? If this request is from such a person, please make it known to us, as you will be given first priority.
3. Requests from inside Oregon are considered first but we sometimes make exceptions for out of state requests.
4. All requests must be made in writing on letterhead preferably, include your tax status (we prefer non-profit), your tax id number, date of your function and submitted to Hoodoo no less than one month in advance of your submission deadline. We do not accept any phone solicitations.
5. You can mail the request or fax it to 541-822-3398. Our mailing address is
Hoodoo Ski Area, Hwy 20 Box 20 (this is a rural address, not a po)
Sisters OR 97759 attn: Donations

If your request has been granted we will mail it back to you. Include a return mailing address. Please do not call back to check on submissions. As previously mentioned we get thousands of requests, in any given season. If we do not send donations this season please try next season during our parameters guidelines.

Sincerely,

Brynne C. Beverly
